

Caroline Fooks

INTERIOR DESIGN

For 25 years Caroline Fooks has created timelessly elegant interiors: blending the traditional with the contemporary, and practicality with beauty.

Working closely with clients, property managers and relocation agents, she ensures that every room matches requirements and exceeds expectations.

Her diverse design portfolio includes country and town houses throughout the UK, and a diverse range of properties in Europe and around the world.

Personal service, careful attention to detail, and a trusted team of craftsmen and suppliers mean that every Caroline Fooks project is completed on time and within budget.
